Dear Parents/Carers

As part of our Health Education / Science programme your child will be given the opportunity to see the video 'Our Bodies and Puberty'.

This video will include information on how our bodies change during puberty. It will discuss both the male and female body within the same session. There is an opportunity for the pupils to discuss what they have learnt after.

There will be a preview for Year 5 Parents in Edison Class on Monday 11th June at 2.30pm. This will last 20 minutes.

The pupils have a series of lessons, with the video as an introduction.

We would be happy to answer any questions or queries you may have concerning our Sex Education course.

Please complete and return the slip below to your child's teacher as soon as possible.

Yours sincerely

The Year 5 Team
