Jubilee Celebration

The last day of last term was a Royal Day at Hyde Park Schools. Across the schools, the children celebrated Her Royal Highness, Queen Elizabeth II. Throughout the day, the children researched what was the Jubilee, who is our queen, the role of the monarchy, and discussed changes they would like to see over the next 70 years.

The children enjoyed a Royal Picnic and a lovely rendition from the Year 6 children. The day was ended with the children receiving a commemorative pin for them to remember the festive day in years to come.

Please see highlights of the day below.

Boccia Competition

In the last week of term, we were proudly represented by children from Hyde Park Schools at a Boccia Sporting event. The children learnt how to play boccia and developed their skill and tactical thinking whilst working as a team. The children had a fantastic time and embraced the opportunity to play with other schools.

Thank you to all members of staff for all your hard work in making this a memorable experience for the children.
