Re: Dream Big

Dear Parents, Guardians, Carers,

Hyde Park Schools stands at the forefront of primary education with our unique career-focused program. Our mission is to spark curiosity from the very start, encouraging our little ones to explore the vast world of career opportunities. We're committed to nurturing a sense of wonder, empowering our children to dream big and discover their potential in various exciting fields.

With this said, we have some exciting news to share! Our school has been chosen to be part of a fantastic programme aimed at enhancing careers education in primary schools throughout England. This initiative is being facilitated by our local Careers Hub and is generously funded by The Careers & Enterprise Company. The progress of the program will be evaluated in collaboration with ImpactEd, an independent organisation specialising in high-quality monitoring and evaluation in educational settings.

To thoroughly assess the impact of this initiative on our pupils and parents, we will be inviting our Year 5 and 6 pupils to participate in a brief in-school survey during Autumn 2023 and the following academic year in January 2024. The survey will focus on their behaviours, attitudes, and beliefs regarding careers and the world of work.

Furthermore, we will also extend an invitation to all parents of our pupils to complete a survey in the later part of the academic year (Summer 2024). This survey will enquire about your own behaviours, attitudes, and beliefs related to careers. Your valuable input will help us understand the effectiveness of this project and allow us to make improvements for the future.

Please be assured that any data shared in these surveys will be handled with the utmost confidentiality, and no personally identifiable information will be included in the reporting. Only collective insights and trends will be shared with the public.

For more detailed information about how we will collect and process your child(ren)'s and your data, please refer to the privacy notice available online at this link: [Privacy Notice Link](#).

HYDE PARK SCHOOL

Executive Headteacher:

Mrs.Y.Jones

Participation in this evaluation is entirely voluntary, and there is no obligation for your child or you to take part. If you are comfortable with participating, there is no need to notify us. However, should you have any questions or wish to opt out, please feel free to reach out to your child's teacher.

If our school engages in additional data collection as a "Research School," we will keep you informed about this at a later date.

Thank you for your continued support and collaboration in providing enriching opportunities for our children.

Yours Faithfully,

Mrs. Y. Jones
Executive Headteacher
